

# Drop-off/Pick-up

## Drop Off

Students may be dropped off in the morning at the front of the building. All children must enter the school upon arrival. Cars should not be parked in the circle areas. Please use a parking space if you must leave your vehicle.

Kindergarten- Grade One students report to the cafeteria.

Grades Two - Five students report to the gym.

Breakfast is served in the cafeteria for all who wish to have a light meal before school.

## Parking

You may park in any designated parking space. We try to leave the spaces next to the empty field available for parents.

Live parking is allowed at dismissal along the sidewalk, closest to the gymnasium. The large outer circle is for busses. Please avoid parking in the larger circle.

## Dismissal

We dismiss the "Walkers" first. Walkers are children who do not ride a bus. Parents are asked to wait on the plaza (large area at the front of the school) for the children to be dismissed from school. We begin the walker dismissal at 2:25 p.m.

Please note that the buses enter from Frederick Street and exit onto Bedford Street. The new Access Road (located next to the empty field) is for passenger vehicles only. Buses do not use the Access Road. Parents should feel free to enter and exit the school property by way of the Access Road.

Our aim, at all times, is safety. The crossing guards do an excellent job of maintaining an orderly traffic flow so that the children may be safely brought to the buses and family vehicles. Your cooperation is appreciated!
